MARAZZI 
DARE TO BE BOLD™

BLOCK

Marazzi's Block™ series emphasizes naturalness and imperfection while expressing beauty in this new Colorbody™ rectified porcelain interpretation of hand-cast concrete. Updated with an alternating matte/glossy surface treatment atop a lightly troweled structure, this collection in six colors effectively adapts to different design styles. Block's Sicilian majolica-inspired 6"x6" porcelain decos reinterpret tradition with contemporary taste for those seeking more romantic, nostalgic and poetic moods. These beautifully crafted visuals in two colorways incorporate sinuous movement and individual expression on walls, countertops and floors.
